A MESSAGE FROM
National Chairman, Phil Esch

IMPORTANT ANNOUNCEMENT
H. C. S. C. Friends,
During our most recent at-large National Board Meeting on March 4, 2020, decisive action was taken regarding the 2022 H. C. S. C. National Retiree Convention. This has been done in response to the decline in attendance and loss in revenue resulting in deficits at the most recent national conventions.
The Board voted unanimously to move toward more frequent 1/2 regional 1/2 gatherings, rather than a singular national convention every three years. These get-togethers will rely on the Local Meeting Groups (LMGs), henceforth to be referred to as **Regional Meeting Groups (RMGs)**, to plan, invite, and execute.
Several groups have had excellent response to their annual more localized events and have often had attendees from across the country. In many cases, participants belong to multiple groups anyway.
Members from other Regional Meeting Groups (RMGs) will be invited/encouraged to attend these events, and you can attend as often and in whichever location you choose, as long as accommodations are available.
These occasions will include the 1/2 Fifty-year Pinning 1/2 ceremonies, as well as 1/2 Century Club 1/2 recognition for those members attaining age 90.
Guest speakers from JCPenney District, Regional, or Home Offices could be invited to present, if so desired. I want to urge you to build on the relationships you have with local store General Managers and District Managers. They are working hard to make things better and can use your encouragement.
As you know, CEO Jill Sollau has an appreciation for the legacy of the Company and is grateful for the contributions of all of you JCPenney retirees.
I shall look forward to spending time with you more frequently in our updated convention format.
In Partnership, Phil
