

## Hall of Honor

### HCSC Alumni Club Gift Giving Program

*We have been blessed through the years by generous donations from our members to keep our Club financially healthy and to support projects for the benefit of all members. Traditionally, those gifts were received with annual dues payments in the first half of each year and exceeded \$10,000.00. That changed when we implemented a more efficient dues collection program two years ago in 2024 using Quick Books Online which saves the Club time and money.*

*Unfortunately, the only drawback to Quick Books Online was a limitation on gift giving that maxed out at 100% of the member's dues payment which was generally \$25-\$35. We saw our gifts drop from over \$10,000.00 each year to less than \$4,000.00 the past two years which has impacted us financially.*

*So, we have created the Hall of Honor for members to donate at the levels they have done before Quick Books Online. You can make a donation at anytime during the year and have it count towards our new Hall of Honor recognition program. We will have a focused HCSC Alumni Club fundraising campaign in March and April each year to promote the Hall of Honor and build our Club funds after several years of financial challenges. See the Hall of Honor gift giving recognition levels on the other link. Donors at each of these levels will be recognized in Partners Magazine AND on our national website.*

*Thank you in advance for your generosity to support our Alumni Club and the projects and missions of our Alumni Club. With your support, we will return to financial strength and flexibility to pursue important projects we can all be proud of!*
